Notes From the President

Kathryn Stockbridge
President
Santa Barbara Jazz Society

It's been a busy spring and summer with a broad spectrum of well received jazz programs. It was a treat to have **Nate Birkey** back from New York last March to entertain us. Backing Nate up were three superb musicians... **Gaea Schell** on piano, **Jim Connolly** on bass, **Todd Wolf** on drums and **Justin Claveria** on Sax. Always

a straight ahead jazz man, Nate and his quartet didn't disappoint us. The perfect choice for **Jazz Appreciation Month** were local favorites, **Al Reese** and **Jeff Elliot** and friends. Al always adds his special touch with his wonderful vocals. In May, Santa Barbara's own Brazilian star **Teka** and her trio, **Chris Judge** on Guitar, **Aaron Serfaty** on drums and **Brendon Staton** on bass, charmed us with her mostly bossa nova tunes. A real standout was the haunting, "So Many Stars". In June the amazing **San Marcos High School Jazz Band** showed us why they placed 5th in the 2009 Reno Jazz Festival out of thousands of participants nationwide and 1st in the 18th Annual Santa Barbara High School Jazz Festival. There were many wonderful musicians with **Miles Napier** on piano being a real standout. The SB Jazz Society was pleased to be able to present **Music Director Dan Garske** with a \$1,000 check that day in memory of **Henry Brubeck**. Remember it is your purchase of raffle tickets at our events that provide the funds for this scholarship.

In July, **Mari Martin**, accompanied by **George Friedenthal** on piano, **Larry Perpoli** on drums and **Randy Tico** on bass, was a real crowd pleaser with her own mixture of straight ahead jazz, soul, and blues. Mari can do it all! Also thanks to Robert Taylor for videotaping our concerts. The DVD's are a fund raising effort and are available for \$15.

Many thanks to our hard working board and everyone who helped with and attended our Summer Party. It was held at the lovely home of **Catherine Miller** and **Dr. Hesu Whitten**.

There was a huge turnout, the food was fabulous and the house was swinging with the stalwart **Hank Allen** on bass and **John Slais** on piano. Many vocalists and musicians entertained the crowd including **Tiger Whitten**, the son of our host **Dr. Hesu Whitten**, **Jean Wright**, **Verna Dodge**, **Dan Mendoza**, **Margie Nelson**, **James Arnold**, **Kim Collins**, **Frank Frost**, **Lin Cook**, **Dennis Berger**, **Miles Napier**, **John Metzger**, **Sapphire Adizez** and **Hugo Napier**.

On a personal note I was a proud mom when my son **Justin Connor** sang and accompanied himself on the piano. The weather was perfect, it was a beautiful setting, and we received lots of enthusiastic feedback from those in attendance. Clearly an affair to remember. We are so pleased at the many who have renewed their membership as well as the ever increasing number of new members who bring an enthusiasm and vitality to the Jazz Society. Several months ago we made two additions to our Board of Directors, **Kathy Meyer** and **Jeff Larsen**. Because of new career obligations, **Jeff** has had to recently step down. You may have noticed **Kathy** at the door selling raffle tickets. **Kathy** is not only an enthusiastic addition to the board but is also overseeing the raffle program. Be sure to introduce yourself to her.

On September 13th, we'll kick off the fall with **The Ian Bernard Quartet** featuring **Pinky Winters** on vocals, **Paul Kreibich** on drums and **Richard Simon** on bass. They will be playing 20 of the top jazz pieces of all time. Ian always provides a great show. Please remember our collaboration with the Elk's Club. They have Jazz at the Elk's on the fourth Sunday afternoon of the month, January through October, and half of the proceeds go toward our scholarship program.

We look forward to October 4 with **Inga Swearingen**. Inga has just returned from a Northwest and New York tour and has developed quite a following here in Santa Barbara. A program not to be missed! On November 1st our own **Peter Clark** will entertain us with special guest **James Arnold**. Peter is one of the SB Jazz

Society's favorites and has been involved with the Jazz Society for many years. The Christmas Party is on December 6 and **The Luis Munoz Sextet** with a program on Costa Rican folk jazz will be with us on January 10.

We have a great and varied lineup over the next five months.

Please join us on September 13 at SOhO!
